Notes of explanations.

Budget estimate of the Elementary Education Fund of the - Puttur Taluk Board for 1933-34.

******

I Revised Budget for 1932-33.

(a) Receipts - Ordinary.

1. Education Tax - A sum of Rs.1[illegible]0/- has been adjusted in the - Education Cess of the current, being the excess amount received - during the last Fasli.

2. Income for investments - The estimated income of Rs.25/- which denotes the interest derived by current deposits made in the - Co-operative Bank, was erroneously shown in the original budget under this head and it has now been included under "other receipts" there being no investments.

3. School fees - As fees are being levied from all children in all Board schools except in the first 2 standards, the income under this source has increased.

4. Government Grant under Section 37 of the Elementary Education Act - The actual amount of Education tax realised in 1931-32 has been taken credit under this head.

5. Government Grant under Proviso to Section 37 of the Elementary Education Act - Out of the subsidy sanctioned for the current - sum of Rs.1144 ordered to be recovered in G.O.No.1010-Education- dated 5.11.32 has been adjusted.

Not fast up

6. Contribution from General Account - The usual contribution has been reduced by Rs.140 which was paid in excess in the previous - year.

(b) Receipts Capital.

7. The Government grant of Rs. 1500 received in the current year in respect of Kadaba school building has been taken credit of.

(c) Expenditure - Ordinary.

8. In accordance with the enabling directions given in G.O.No. 479-Education- dated 5.5.32, the management of 37 schools was made over to the concerned Panchayat Boards with effect from 1st August 1932 and 3 schools from 1st October 1932. Hence the provision made in the original budget under (1, salaries & [illegible] establishments and (2) contingencies &

Not fast up

proportionately reduced and in their stead sufficient provision has been made for contributions to the Panchayats for the maintenance - of the above 40 schools.

9. Contribution to Provident Fund - In accordance with G.O.No.558 L. & M., dated 12.2.32, sufficient provision has been made for the payment of contribution to Provident Fund on account of the teachers.

10. Repairs to Buildings - The provision of Rs.900 made in the original budget had to be increased on account of (1) the works having been - executed through the Engineering Department instead of through the --- miscellaneous agency as in previous years which was objected to (2) -- Renewals of thatching roofs and (3) special repairs to a large number of - school buildings. The provision of Rs.3130 now made is even inadequate in view of the estimates already sanctioned by the Board.

(d) Expenditure Capital.

11. The provision of Rs.2365 made in the budget is for the payment of the remaining expenditure on Kadaba school buidling and cost of tiles supplied by the Board for the extensions of Board school buildings -- carried out by the villagers at their own cost.

(f) Closing Balance.

The year will close with a balance of Rs.365 as worked out herebelow:-

Opening Balance ---- ----	Rs. 330-	
Total receipts Ordinary and Capital	71045	
Total receipts including opening balance	--	71,375.
Total expenditure ordinary and capital	--	71,010.
Closing Balance.		365.

II ~~Revised Budget~~ 1933-34

(a) Receipts ordinary.

1. School fees - The reduced provision under this head is due to the - transfer of management of 40 schools to Panchayats.

2. Government Grant under Proviso to Section 37 of the Elementary ---- Education Act - The full amount of subsidy payable to the Board has -- been taken credit of, as no cut is anticipated.

(B) Expenditure- Ordinary.

The provisions under (1) salaries of masters clerks and servants

(2) contribution to Provident Fund (3) Contingencies and (4) -- Repairs to buildings show a decrease on account of the reduction in the number of schools managed by the Board. Provision has been made for paying contribution to Panchayat Boards towards the -- maintenance of schools transferred to them.

Closing Balance

The total receipts including the opening balance amount to Rs.69,900 and the total expenditure being Rs.69,745, there is a margin of a closing balance of Rs.155 only, which cannot be raised to the prescribed minimum on account of Provident Fund Contribution which extra expenditure has been unexpectedly thrust upon the Taluk Board.
